

NEVRlabs Client Agreement

Virtual Reality (VR) is an exciting form of entertainment offering a wide range of immersive environments, ranging from relaxing beaches to thrilling adventures. VR games use sensations of:

- Falling
- Speed
- Vibration
- Heights
- Peril

Though most people find their VR experiences positive, some may encounter mild side effects. You may feel mild nausea, drowsiness or dizziness, even after removing the headset. Do not be concerned as these sensations usually disappear quickly.

These adverse sensations may be triggered or heightened by personal factors such as:

- Long-term health problems
- Illness, injury, surgery or infection
- Medication
- Pregnancy
- Stress or mental conditions
- Your physical abilities

Therefore, stop and think about whether VR is suitable for you. If you have any concerns consult your doctor before using the VR equipment. Remember that games can be paused or terminated at any point during your session if you so wish.

You will be given a short safety induction by staff before you start, including an overview of our games library. Please follow all guidance and instructions given to ensure your safety and enjoyment.

- No Client under the age of 12 is allowed to enter the NEVRlabs without being supervised by an adult (18+).
- No Client under the age of 8 is allowed to use the Virtual Reality (VR) equipment. However, with parental consent, they may use Esports and PC games.
- Due to the physical dimensions of our VR headsets, we strongly recommend that clients under the age of 10 try on a headset at NEVRlabs prior to making a VR booking.
- No Client under 16 is allowed to play games with a PEGI rating of 12 or over without a copy of the Client Agreement form signed by an adult (18+).

You will be given a short safety induction by staff before you start, including an overview of our games library. Please follow all guidance and instructions given to ensure your safety and enjoyment.

This is our standard client agreement upon which we intend to rely. For your own benefit and protection, you should read the above information carefully before signing your understanding below. If you do not understand any point please ask for further information.

By signing this form, you are also confirming that all persons in your group are over 8 years of age when using VR equipment, and have your permission as parent or guardian to access all PEGI rated games.
